## Do You Give Your Team What They Need to Thrive?

Ensuring your team have what they need to achieve both their **professional and personal goals** reaps untold rewards, **for you and them**. Support, encouragement and guidance are all key, and we can help you offer your team what they need, whether that's as a **group or as individuals**:

**Tailored Training**

We offer several courses, all **CMI accredited**, that can be tailored to your organisation and staff needs, allowing an individual to study towards an **Award, Certificate & Diploma**. These can be delivered at your workplace, in our classroom or virtually for the best possible experience.

**Workforce Inclusion**

Being a diverse organisation can attract **different talents and skill sets**, providing a breadth of knowledge. We provide businesses with the tools and skills to **support inclusion and diversity in the workplace**, through mentoring, specially developed courses and workplace audits.

**Team Development**

Supporting your team to reflect, learn and develop is vital if they are to **excel in their roles**. We offer guidance and support across a range of areas, such as **remote working, wellbeing, reflection and upskilling**, to enable you to provide them what they need.

# Helping You Get The Best From Your Workforce

## Why Issured Track?

### 01 Knowledge & Experience

Our team have a **wealth of knowledge and experience** in learning and development, including in areas such as inclusion, diversity, management and leadership. This enables us to use **real-life experiences to help bring the theory to life** and relate to applying it in the workplace. We will understand your organisation to enable us to ensure the training is applicable, interesting and, we hope, **fun!**

### 02 Diversity & Inclusion

Diversity and inclusion aren't just things we talk about as part of our Workforce Inclusion service, they are also **things we take seriously in our delivery**. We have individuals who are highly experienced in working with **autistic adults** and we apply this knowledge to our training so it is **accessible and achievable for anyone**. We adjust delivery styles and information to ensure everyone gets what they need.

### 03 Supporting Excellence

We don't just offer training sessions - we also support you and your team to ensure that you and they can **excel in the workplace**, through mentoring, wellbeing support, remote working assistance and workshops which we can carry out in whatever way suits you - **either face-to-face or online**.

### 04 Bespoke Training

We offer training that is tailored to your organisation and needs, whether you want to **upskill your workforce** in leadership and management, encourage **reflective practice**, or enhance finance skills, we can ensure that each training package is **tailored to your organisation** to ensure reliability and maximum benefit.
